Michel

CONTENT

- What was your interviewee's mission or goals in life and how is she fulfilling this?
- How does her mission or goals relate to women's roles in US-Asian relations?
- What did you learn from the interviewee that
 - Reinforced things we learned in class
 - Provided new information

PROCESS

- How did the questions you asked your interviewee influence the type of information you received?
- What were some of the verbal and non-verbal cues?
- If working in a team, explain your approach and provide an example of your active listening.
