Dear Mrs. Vosburgh:

Dr. Ulett has notified us that the publication of his report, Psychiatric Studies & Projects has been disapproved. You may recall that in September, in order to close out the grant account, under which this project was completed, the Psychiatric Research Foundation paid the publication expenses in advance, in the sum of \$225.00. A copy of our cancelled check is enclosed.

We would appreciate reimbursement for this amount so that we can then return these funds to the United States Public Health Service.

Sincerely yours,

Max Fink , M.D.
Executive Director
