Gentlemen:

At the suggestion of the Chairman of the Department, Dr. Alfred M. Freedman, I am writing on behalf of a resident physician who is now in his third year and to whom we would like to recommend the Mental Health Research Development Program. We would appreciate an application kit and the instructions for submitting an application. It is my understanding that either Dr. Freedman or I will act as sponsor and the candidate, Dr. Arthur Zaks, will be completing his residency training in June of 1968.

Thank you for your cooperation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
