Dear Mr. Giordano:

In addition to our ongoing studies of narcotic addiction, we have been encouraged to undertake studies of marijuana and marijuana extracts. A copy of a protocol for such a study, approved by the committees of this College, is enclosed.

We have received a Special Tax Stamp, Class 5 - marijuana, No. 127-M; and also have filed IND4724 with the Food and Drug Administration, DHEW. A copy of the IND letter from Dr. Gibson is enclosed as well.

I am writing to request the Bureau make available for our experimental use approximately one pound of refined or high grade marijuana.

Thank you very much for your cooperation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
