Dear Martin:

The Missouri Institute of Psychiatry is an active training and research center. In view of your special experience in neurology, we would be pleased to have you participate in a seminar during the month of January. If you can specify the date that you may be available in St. Louis, we would be pleased to have you meet with our staff. Except for January 15th and 16th, and January 24-26, I should be available on any other day that month.

My best personal regards,

Sincerely yours,

MISSOURI INSTITUTE OF PSYCHIATRY
