Medical Director
Hillside Hospital
P. O. Box 38
Glen Oaks, New York

Dear Lew,

Sima Melcer was a patient at Hillside in 1953, who has just written to me requesting an affidavit. As I recall, she was admitted with a paranoid psychotic decompensation and responded rapidly and well to treatment.

I believe her request is reasonable and would recommend that an affidavit be provided. If this can be done through your office, I would be grateful, or I would be pleased to do so if the records could be made available to me so that an accurate report could be made.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
