

March 17, 1966

Dr. Ivan F. Bennett
The Lilly Research Laboratories
Eli Lilly and Company
Indianapolis 6, Indiana

Dear Ivan,

Thank you for your letter of March 11. We have completed observations with Seromycin in ten patients and are now in the process of summarizing our results. I believe these observations to be of some interest and will discuss these with you in Washington.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
