Dr. J. C. Holden
34, Green Lane
Burtonwood
Nr. Warrington
Lancashire,
England

Dear Dr. Holden:

This morning we received official notice from the Department of State that these new forms are now to be used.

If you have already submitted the earlier one, I would suggest you call the Consul and explain that you have the latest form and let him elect which to use.

Sincerely yours,

Max Fink, M.D.
Director
