Mrs. A. L. Hughes
#8 Outer Ladue Road
St. Louis 31, Missouri

Dear Mrs. Hughes:

May I take this opportunity to congratulate you on your election as President of the Mental Health Association of St. Louis. My wife and I both had an unusually pleasant evening last night at the dinner, and your address was exemplary.

I would be pleased to take you through the Institute on the occasion of your next visit. I should also be pleased if the Board of the Mental Health Association would consider holding one of its meetings at the new Institute. On such an occasion, I should like to take the opportunity of providing your associates with a similar opportunity to become acquainted with this new facility in St. Louis.

My best wishes for a successful year.

Sincerely yours,

Max Pink, M. D.
Director
