

August 13, 1969

Dr. Dirk Krönig  
Bücklestrasse 1-5  
Konstanz, Germany

Dear Dr. Krönig:

We are planning a get together in New York after the International EEG Meetings of investigators interested in EEG and psychiatry. Dr. Künkel has suggested your name as a participant. A formal letter of invitation is attached.

I look forward to meeting you in our laboratories on September 25, 1969.

Sincerely yours,

Dr. Dirk Krönig

Max Fink, M.D.  
Professor of Psychiatry
