Mr. Alexander M. Poterba
39 Cedarlawn Blvd.
Valley Stream, New York 11580

Dear Mr. Poterba:

Thank you very much for the copy of Wittenborn's book "The Clinical Psychopharmacology of Anxiety." I have read this during the past few days and found it most interesting. The data he presents is highly sophisticated and provides some of the more rigorous data in our field.

Thank you for your courtesy.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
