Dear Dr. Steinbeck:

I have received the Preliminary Program of the 7th Medical Symposium to be held on October 25 - 28. The presentation as listed is correct, except that this will be a joint effort of my co-worker, Mr. Donald Shapiro. Insofar as we will be presenting some technical computer information as well as applications, I would be grateful to have Mr. Shapiro listed as a coauthor of this presentation.

The application for enrollment for both myself and Mr. Shapiro are enclosed.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
