Dr. Louis Kohler  
St. Louis State Hospital  
5400 Arsenal Street  
St. Louis, Missouri

Dear Lou:

Enclosed is a copy of my letter to Dr. Edwalds, and the supporting documents including letters of reference. Dr. Edwalds is well trained and experienced, but in view of the qualifications of the letters of reference and the interview that Dr. Ulett and I had, I would be reluctant to make any definitive senior appointment at this time.

If his response is affirmative, I will call you.

My regards.

Sincerely yours,

Max Fink, M.D.
