Mr. Harold C. Hanke
Smith, Harris and Hanke
411 North Seventh Street
St. Louis 1, Missouri

Dear Harold:

Mr. Langenberg has accepted the Foundation's invitation in the enclosed letter. I believe it would be appropriate for us to invite him to visit the Institute and to become acquainted with the complex Institute-Foundation relationships. I would be pleased to do this or, do you think it more appropriate for Lew Stuart or yourself? After you have given it some thought, please call me.

Sincerely yours,

Max Fink, M.D.
Director
