Dear Dr. Yukitake:

I have received your letter of May 22, indicating that you would be available to join the staff in the Department on December 1. I have not yet received formal notification from the University of Missouri regarding the appointment, but have been told that no appointment is possible until after July 1. I am writing, therefore, to tell you that I will again inquire of the Dean of the Medical School regarding your appointment early in July and shall write to you as soon as I have any definite information.

Sincerely yours,

Max Fink, M. D.
