Dear Max:

I hope there will be a break in the reservation schedule so you can get all of us on a direct flight to Tel Aviv. In the meantime, would you please change my reservation so I can accompany a friend who is returning on September 4, from the 12:00 flight to the 10:45 flight, TWA 705, tourist class, London to New York.

Many thanks.

Sincerely yours,

Max Fink, M. D.
