

January 10, 1967

Dr. Joseph Bird
Sterling-Winthrop Research Institute
Rensselaer, New York

Dear Joe,

Enclosed are draft copies of the reports of the secondary effects of cyclazocine and our EEG summary. The secondary effects data has not been submitted for publication; the EEG may be published by the American College of Neuropsychopharmacology.

Thank you for your interest.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
