Mr. I. W. Kurtz, Jr.
The Blue Line Chemical Company
302 South Broadway
St. Louis, Missouri 63102

Dear Mr. Kurtz:

At the time we were inquiring for the production of concentrated Atropine Sulfate Solution, I raised the problem with SKF Laboratories in Philadelphia.

While they are unable to produce the supplies, they have sent me an analysis of such concentrated solutions. I am enclosing a copy for your information. If this is of any help in the completion of our request, fine, if not, please destroy it.

Sincerely yours,

Max Fink, M. D.
Professor of Psychiatry
