

December 22, 1966

Professor Heinrich Klüver  
Professor of Psychology  
Division of Biological Sciences  
University of Chicago  
Chicago, Illinois 60637

Dear Professor Klüver:

It was a great pleasure to hear your presentation at the American College of Neuropsychopharmacology and your acceptance of membership honored us. I was pleased to have had an opportunity to review one of your papers and, following our discussion, am sending you some reprint copies as these were sent by the journal.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
