Dear Joe,

Enclosed is a copy of the investigators you might consider for the collaborative cyclazocine study. Dr. Allen Raskin can be reached at (301) 496-1393. Dr. Itil can be reached at (314) MI 5-6230 Ext. 618.

I would like that Dr. Jovan Simeon and Arthur Zaks from this department also be invited to the meeting, since they have been active in the cyclazocine study. While both are away, I will speak for them and believe that they will be available at any time after September 22.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
