Dear Dr. Severinghaus:

Thank you for your letter of November 22, 1966 indicating that "Clinical Trial of Thiothixene in Schizophrenia" will be published in the January issue of *Current Therapeutic Research*.

Citation No. 7 has been submitted for publication to the *Journal of New Drugs* but has not yet been accepted. It should be listed as "to be published."

Citation No. 8 is already in galley and should appear in one of the forthcoming issues of *Comprehensive Psychiatry*. Since the latest issue of *Comprehensive Psychiatry* was the August issue, I would expect this to appear in Volume 7.

Thank you for your consideration.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
