Dr. Harris Isbell
Department of Psychiatry
University of Kentucky
Lexington, Kentucky

Dear Dr. Isbell:

We are interested in undertaking studies of tetrahydrocannabinol and have been told by NIMH that we must file our own IND. At their suggestion, I am writing to ask your permission to refer to the pharmacologic data in your IND when we file our own. May I have your permission?

Thank you for your cooperation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
