Prof. Dr. P. Kielholz
Psychiatrische Universitätsklinik Basel
Switzerland

Dear Dr. Kielholz,

Thank you for your letter of May 28. I am sorry that you misunderstood the program outline. I have invited Dr. Ladewig to present during the symposium, on the topic of "Amphetamine and Hallucinogen Dependence in Europe", as a joint presentation with Dr. Battegay. I wrote to him on May 25, extending the formal invitation of the Program Committee chairman, Dr. Vinar. By now, he should have received the invitation.

I will write to Dr. Vinar indicating your acceptance of the responsibility to summarize the symposium and co-symposium at the Plenary session.

I look forward to seeing you in Prague and working with you.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
