Mr. Robert Marlin
Sandoz Pharmaceuticals
Hanover, New Jersey

Dear Bob,

Dr. Rothwell called to discuss our interim report dated December 22, 1969 of S-42,548.

His criticism was well founded. I am taking the liberty of enclosing a revised page 8 and 9. I would be grateful if you would remove page 8 from the report and either return it to me or destroy it.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
