

October 1, 1968

Dr. Martin Keeler
North Carolina Memorial Hospital
Chapel Hill, North Carolina

Dear Dr. Keeler:

The Chairman of the Department, Alfred M. Freedman, M.D., and I look forward to having you visit on October 11. Your lecture will be at the Metropolitan Hospital Medical Center, at noon. Unless I hear otherwise, I will assume that you will need a 3 1/4 x 4 projector.

I would like to meet you at Metropolitan Hospital (97th and First Avenue) at 10:00 am and to show you around that facility before your lecture. Dr. Freedman would like to meet with you for lunch after the lecture at 1:30 pm.

I would like to arrange for you to meet with the other members of the staff Friday afternoon. You may plan on leaving about 4:00 pm.

I look forward to seeing you.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
