Dear Dr. Muroff:

As we have discussed, we are most anxious to ask your assistance and consultation in the therapeutic community now being established at the Department of Psychiatry facilities at the Metropolitan Hospital Center. Would you be able to visit us on August 1 or 2, or during the last three days of August, as these are the principal dates that my associates and I are available during this summer season.

Thank you for your assistance.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
