Dear Ernie,

The progress has been steady with the Seminars, and the only handicap is the summer holidays and the fact that my secretary has joined her husband in Texas.

Four reports are in; two more are promised by the end of the month; some of the Q&A are in, and others have yet to be completed. I plan to have my editing done during the first few weeks of August, and the reports will be retyped by my secretary in Texas. This may cause some delay but her accuracy and judgment are indispensable to me.

There are two hold-outs as of today, and I shall see what I can do this week.

I will send you some manuscripts by mid-August, and the remainder should meet an early September deadline. Should you wish to edit the texts then, I would be grateful.

My thanks for your regards.

Sincerely yours,

Max Fink, M.D.
