Dr. Julian E. Rosenthal
Metropolitan Hospital
1901 First Avenue
New York, New York 10028

Dear Dr. Rosenthal:

In October I had spoken to the Chairman of the Department regarding my inability to attend the Audit and Utilization Committee and was assured that another member of the Department would be appointed.

I am unable to attend these meetings and ask that you no longer mark me as absent and remove my name from the Committee.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
