Dear Ted:

The Study Group III has invited a number of consultants and guests to attend its sessions on January 16th and 17th. I would appreciate your making arrangements directly with International Inn for the following, and sending notifications to them. Please make reservations for late arrival on January 16th.

- Dr. Max Fink, 5400 Arsenal Street, St. Louis 39, Missouri
- Dr. Turan Itil, 5400 Arsenal Street, St. Louis 39, Missouri
- Dr. John Stern, Malcolm-Bliss, 1420 Grattan, St. Louis 4, Missouri
- Dr. Neil Burch, Houston Psychiatric Institute, 1300 Moursund, Houston, Texas

In order to carry out the mission of this Study Group, it was the recommendation of Drs. Toman, Killam and myself that the limitation of four guests be abridged in order to provide sufficient technical talent. Dr. Killam will separately send you notification of the invitations to Drs. Walter and Roy John.

Sincerely yours,

Max Fink, M. D.
Director
