Dr. Alexander M. Don
Warley Hospital
Brentwood, Essex
England

Dear Dr. Don:

By now you have received two signed forms, and I trust that one will be considered satisfactory by the State Department.

We will be pleased to furnish the sum of \$600 as you requested, and ask that you make this request formal by returning one copy of the enclosed form.

To complete your application, it would be very helpful if I could have a photostatic copy of two documents: your ECFMG certificate and the D.P.M. Both are necessary to support an exact salary designation. It is not necessary to make application for licensure in Missouri until you have joined the Institute's staff.

If you will please tell me the size of your family, my secretary will try to provide for some temporary accommodations prior to your arrival.

Sincerely yours,

Max Fink, M.D.
