Mrs. Susan Simeon  
Royal Ottawa Hospital  
1145 Carling Avenue  
Ottawa, Canada

Dear Susan,

Enclosed is a set of notes regarding EEG recording in a manner that will permit us to analyze the records from the tapes. When you have questions, call Peter at 516 444 2560.

It would be helpful for us to get a copy of the protocol for the study so that we can review the time and frequency of the recordings.

My regards.

Sincerely yours,

Max Fink, M.D.
