Dr. Jack D. Barchas
Asst. Professor of Psychiatry
Stanford University School of Medicine
Stanford Medical Center
Palo Alto, California 94304

Dear Dr. Barchas:

Membership in the American Psychopathological Association is by nomination of members and election at an annual meeting. It is the custom of the membership committee to ask members for their recommendations in the fall of each year.

Earlier editions of the monographs published by the Association contained lists of members. If you would check this and request a member to submit a nomination this might be useful to the membership committee.

Sincerely yours,

Max Fink, M.D.
Secretary
