Dr. Eva Kellerova
Bratislava, Czechoslovakia

Dear Dr. Kellerova,

I have received the kind invitation of Dr. Formanek to participate in the 8th Interdisciplinary Conference on the Study of Higher Nervous Functions in Marienbad October 9-11. I would be pleased to participate and am prepared to discuss the topic:

Quantitative EEG and Human Psychopharmacology:
Theory of Classification of Psychoactive Drugs

It is impossible, however, with the present limitation on the use of U.S. funds for foreign travel to participate without support for travel to Europe from the host country. If that can be arranged, I will be pleased to participate in this important Conference.

Thank you for your kind invitation and I look forward to meeting you in Marienbad.

Sincerely yours,

Max Fink, M.D.
