F

Dr. D. Streifler  
Department of Neurology  
Hadassah Hospital  
Tel Aviv, Israel

Dear Dr. Streifler:

Like many other Americans, I shall be visiting Israel this summer. While it is a pleasure trip, I would be pleased to have an opportunity to visit your laboratories.

I plan to arrive in Tel Aviv about August 6, and will take the liberty of calling your office. If a member of your staff is available who could spend a little time with me, I would be grateful.

Sincerely yours,

Max Fink, M. D.  
Director
