Ms. Linda Stein,  
Membership Secretary,  
250 West 57 Street, Room 1201,  
New York, N.Y. 10019.

Dear Ms. Stein,

It is difficult for me to decide on whether my activities in the forthcoming years will be in Suffolk County, where I have my office, or in Nassau County, where I have my home. I am not enthusiastic about making that choice at the present time, and therefore am returning this request for transfer of membership unsigned. Until such a time as I can make that decision, I wish to resign from the New York County District Branch, without specifying District Branch Membership.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
