Re: MH 24020

Dear Jerry:

I found our discussions in Palm Springs concerning my EEG program most helpful. I have reviewed the work now in progress and I believe it would be better for me to submit a continuation proposal for the May 1 deadline. This would permit me to provide much better documentation.

Again, many thanks and my best wishes for a healthy 1974.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
