

June 6, 1966

Dr. Jonathan O. Cole
BPRB - NBOB #1, Room 5
National Institutes of Mental Health
Bethesda, Maryland 20014

Dear Jonathan,

This report on the "Clinical Effects of Thioridazine and Chlordiazepoxide Alone and Combined," was sent to be considered for publication in the *Excerpta Medica* as part of free communications and is not part of symposia #6. I think it was returned to me in error.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
