Mr. Dan Tyler Moore  
Director General and Board Chairman  
The International Platform Association  
2564 Berkshire Road  
Cleveland Heights, Ohio 44106

Dear Mr. Moore:

It was kind of you to send me an invitation to join the International Platform Association. The description seems to indicate that the association recommends members for lectures and that attendance at an annual convention is the principal basis for association. I would be grateful for any further information which may be publically available regarding the activities of the members of the association and any publications which have recently been distributed in the name of the association.

Again, my thanks for your kind invitation.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
