Costas Stefanis, M.D.  
Department of Psychiatry  
University of Athens School of Medicine  
Eginition Hospital  
74, Vasilissis Sophia Avenue  
Athens, Greece

Dear Costas:

In checking the information of the withdrawal data, we lack the drug code for Evangelidis and Ermidis. Can you please tell us the code (A or B) for Sessions 1-3 and 4-6 for each of these men?

Many thanks.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
