Mr. Earl Ubell  
CBS-TV  
51 West 52nd Street  
New York, New York

Dear Earl,

While I was only able to see the first half of the series, Drugs A to Z, I was impressed that your text was a clear exposition of the state of our clinical knowledge of drug abuse. It was a good job, and I am writing to ask whether a typescript, Drugs A to Z, is available for us?

Many thanks.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
