Dear Dr. Sobel:

Thank you very much for your letter and the reprints.  
I have also received letters from Drs. Pincus and Goldenberg.

I have taken the opportunity to discuss your curriculum vitae with the Chairman of the Department, Dr. George A. Ulett. I find that he will be away from St. Louis most of January, except for January 9th. We would be pleased if it were possible for you to visit with us that morning.

If you will notify me of your travel arrangements with the possibility that you are arriving in St. Louis the night before, we will make the necessary arrangements for accommodations. We will reimburse you for any additional expenses in visiting St. Louis.

Sincerely yours,

Max Fink, M.D.  
Director
