Mr. Peter M. Irwin  
315 W. 70th Street, #6J  
New York, New York 10023

Dear Mr. Irwin:

I am pleased to indicate that the Department of Psychiatry will extend an appointment as research assistant, effective January 15, 1968. In this program you will be responsible for your assignments to me. The principal program in which you will be working is in the evaluation of the treatment of narcotic addicts, a program supported both by the USPHS and the New York State Narcotic Commission. You will be asked to work 40 hours per week and to assist in the data collection and data analysis of this program.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
