March 5th, 1973

Nathan S. Kline, M.D.,
Research Center,
Rockland State Hospital,
Orangeburg, N.Y.

Dear Nate,

I would like to be in Marseilles on the evening of August 31st. I could be in Switzerland on any of the preceding two or three days with ease.

Congratulations on your anniversary celebration.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
