Superintendent,
Farmington State Hospital
Farmington, Missouri

Dear Dr. Osborne:

Drs. Keskiner and Holden, and Mrs. Steffen returned from their recent visit quite enthusiastic about your cooperation and that of your staff. They reported that they have found nine patients who are suitable for the present evaluation program, and I look forward to having them with us in the hope that we may contribute to their care.

Please accept my personal thanks for your cooperation, that of Miss Schwartz and the other members of your staff who were most helpful.

Sincerely yours,
