I. Ritenis, M. D.
Connecticut Valley Hospital
Middletown, Connecticut

Dear Dr. Ritenis:

I plan to be at the Hotel Roosevelt meetings of the Association for Research in Nervous and Mental Disease most of the afternoon of Friday, December 6. I will probably return from a luncheon meeting at 1:30 p.m. The best time would be to meet at the Registration Desk at 2:00 p.m. In case you miss me then, I will come back to the Desk at 2:30 and again at 3:00 p.m. I will be wearing the badge of the Association.

I am looking forward to meeting you.

Sincerely yours,

Max Fink, M. D.
Director
