

April 28, 1971

Dr. Roberto Derbez
Secretary-Symposia
World Congress of Psychiatry
Mexico City, Mexico

Dear Dr. Derbez,

Enclosed is an abstract of my presentation before the symposium on "EEG Correlates of Mental Disorders" during the Vth World Congress of Psychiatry.

I should be identified as "Professor of Psychiatry, and Director, Division of Biological Psychiatry, New York Medical College, New York City."

I will present my report in English and will use conventional small slides (2x2 inches).

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
