Dear Bill,

Thank you very much for helping us get started in our study program. I am planning to attend the meeting of the staff on December 6.

Enclosed is a draft copy of a memorandum to be distributed at that meeting. Would you please review this and if it meets with your approval, return it with an indication as to the number of copies that should be made available.

Do you think it best to distribute these at the meeting or to have a general mailing to the attendings of the hospital staff?

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
