

March 26, 1970

Dr. A. Dimascio
Boston State Hospital
Boston, Massachusetts 02124

Dear Al,

Dr. Simeon and his co-workers, Drs. Hobson and Gastanaga, were very much impressed with the meetings on child and adolescent psychopharmacology. I was most delighted to hear of the many fine presentations, particularly that of Don Klein.

Congratulations and many thanks for permitting my staff to attend.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
