Dr. Fritz A. Freyhan,
Editor-in-Chief
Comprehensive Psychiatry
4740 Connecticut Avenue, N.W.
Washington, D.C.

Dear Fritz,

Some months ago, we submitted a report "Therapeutic Studies in Therapy Resistant Schizophrenic Patients" for your consideration for *Comprehensive Psychiatry*. We have not yet heard from your office and would be grateful for any information that you can make available to me.

I am leaving St. Louis this week and my new address will be:

Department of Psychiatry
New York Medical College
Fifth Avenue at 106th Street
New York, New York 10029

Incidentally, I met a member of the staff at St. Vincent's Hospital last week and he indicated that you had been appointed Director of Research for that hospital. Congratulations! I hope that this is true and I look forward to seeing you at the many meetings which take place in New York in the forthcoming years.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
