Dear Bill,

I am enclosing a draft of the Q & A section of the forthcoming special issue on ECT of *Seminars in Psychiatry* which is due to appear in February. We have digested the various answers, and are presenting this 'digest', with some editorializing. Any suggestions will be appreciated.

I want to take this opportunity to thank you, not only for this contribution, but the unstinting support you gave our studies at Gracie Square.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
